

## RELEASE OF LIABILITY

A contract for doula services is being entered into on \_\_\_\_\_ (date) by Laura Landry and \_\_\_\_\_ (client). I hereby acknowledge that during the performance of this contract, services may be provided to me in my home, at a hospital or other medical facility, and/or birth center. I understand that Laura Landry has a limited role pursuant to the description of tasks outlined in the contract where services may be provided to me. Laura Landry has not represented to me that contracting for her services guarantees in any way a risk free labor and birth experience. I understand that my doula does not make medical or nursing decisions on my behalf, including decisions about when to seek medical care at a hospital or from other health care professionals. When services are performed in my home or a medical facility, I acknowledge that Laura Landry is not responsible for the performance of clinical tasks, including medical or nursing decisions regarding the inclusion or exclusion of treatments available to me and my baby.

I acknowledge that it has been made known to me that my right to confidentiality regarding doula services is not protected by any federal regulations, including HIPPA (Health Insurance Portability & Accountability Act), but that Laura Landry will do everything within her power to protect my personal information.

Now, therefore in consideration of the above acknowledgments, I, on behalf of myself, my partner, our heirs, personal representatives, and executors, assign to RELEASE AND FOREVER DISCHARGE Laura Landry from all damages or causes of action, either at law or in equity, which I may have or acquire, or which may be accrued to me, my partner, our heirs, administrators, personal representatives, executors, or assigns as a result of using the doula services of Laura Landry. I intend this to be a COMPLETE RELEASE AND DISCHARGE from all liability whatsoever. I have read all statements contained herein and I fully realize that I am signing a COMPLETE RELEASE AND BAR to any claim, which I have or believe I have resulting from our contract for doula services.
